

Clean Up Australia Day – Local Council Award

Proudly Sponsored by Veolia Environment

Entry Submission Form

1 Council Information

Name and Title of Council CUAD Representative		
Council (LGA)		
Postal address		
E-mail address:		
Tel:	Mob:	Fax:

2 Criteria

- Please detail the number of Clean Up sites (across all 3 campaign days) in your Council/LGA. Please include where possible, a brief description regarding your councils methods of site identification and consequent site organisation.

- Please provide a brief overview of the number and variety of community groups, i.e Scouts, conservation organisations etc that are involved in CUAD from your Council/LGA.

- Please provide evidence of campaign growth from 2007. (e.g. site number increase across all campaign days, volunteer number increase)

- Please outline your council's level of promotional activity undertaken to encourage participant involvement.

- Please detail how the Council has communicated with Clean Up Australia and any other community groups.

• How would you evaluate Councils support to Site coordinators?

• Please outline your Council's approach for Waste and Recycling Collection and Management for the Clean Up Campaign.

• How does the Clean Up Australia Day campaign support your Councils existing Environmental Policies and Practices?

• The winner of the CUAD Local Council Award will receive \$5000 from Veolia Environnement for a community based environmental project. Should your council be successful, please suggest how you would utilise this funding for an existing or future council project.

Please complete your submission and send to:
