If 'Yes', please specify number of years.

Would you like to receive email correspondence regarding environmental issues and the year round programs organised by Clean Up Australia? Yes No

Important Information for Site Coordinators

- Inform your local council of your Clean Up site.
- If your Clean Up site is located within your local community, ensure you contact your local council to organise for the waste / recycling to be collected.
- Schools and businesses contact your waste contractor.
- Conduct a thorough site inspection before your Clean Up event to help ensure the safety of your volunteers.
- It is essential that you read the Clean Up Site Guide that will be included in your Clean Up Kit.

Please return completed form to:
Clean Up Australia
18 Bridge Road, Glebe NSW 2037
