

National E-waste Recyclers

Last Updated 11 March 2010

Sims Group

NSW, VIC, WA, QLD

Operational in four states providing end of life recycling solutions for all types of e-waste, ranging from computer hardware and peripherals to televisions and other electrical goods. Services include collection and end of life recycling of all products with the highest environmental outcomes. Fee for service applies.

See branch details below in state-based recyclers section

MRI Australia

<http://www.mri.com.au/>

NSW, SA, VIC

Take anything including tvs, stereos, computers, MP3 players. Take equipment in any condition and re-sell or recycle it. May pay for re-sellable equip or charge for non re-sellable equip. Will pick up commercial quantities (over 50 computers). Otherwise, people can drop e-waste off.

See branch details below in state-based recyclers section

Computer Bank

NSW, SA, WA, QLD, VIC

Computers supplied to disadvantaged groups. May charge for non-refurbishable equipment.

See branch details below in state-based recyclers section

Green PC – Infoxhange

VIC, QLD, WA

Green PC's are recycled personal computers that are refurbished and repackaged into usable Internet ready computers and then made available to low-income communities, individuals and community organisations.

See branch details below in state-based recyclers section

Dell Computer Pty Ltd Recycling

Call toll-free 1800 465 890

recycling_dell_au@dell.com

<http://www.dell.com.au/recycle>

Can pick up from any area in Australia, this service incurs a \$10 pick-up fee, plus \$13 for each unit in metro areas or \$15.50 if more than 40km from your capital city.

(NOTE: A PC and monitor is 2 units) Or, if items are dropped off, the recycle charge is reduced to \$8.50 per unit. This is booked through the recycle line with a credit card. Items can be dropped off in Sydney or Melbourne.
