Please note, roadside Clean Ups should only be carried out on Municipal (Council) roads. Arterial Roads (including Highways) and Freeways cannot be registered for Clean Ups due to health and safety reasons. If you wish to proceed with your existing site, there are additional safety requirements that you may need to take into consideration such as:

- Children are not permitted to participate in any roadside activity
- A 3 metre exclusion zone along any major road may be required. Additional signage to denote location and distance of activity (i.e. Clean Up Site - next 2kms) may be required.
- A temporary reduction of speed limit surrounding any activity may be required.
- Use of highly visible safety vests and any personal protective equipment may be required.
- Time limitations of activity may be required to avoid peak traffic times.

Clean Up Australia advises that you contact your local council to confirm any specific safety regulations or requirements that may be needed before you conduct your Clean Up activity.
