

GRANTS REGISTER (E)

Please find below a list of websites we have found contain useful information and/or resources in relation to finding support for your Clean Up the World activities. This list is by no means exhaustive and we encourage you to do your own internet research to find information pertinent to your location.

Unfortunately for our non English speaking Members, this document and most of the sites listed here are only available in English. If the website (or some part of the website) is available in other languages it is marked as follows: **(A)** - Arabic, **(C)** - Chinese, **(E)** - English, **(F)** - French, **(G)** - German, **(J)** - Japanese, **(P)** - Portuguese, **(R)** - Russian, **(S)** - Spanish.

NOTE: Each organisation has its own grant criteria and application processes that must be adhered to. **Contact the organisation directly** to request grant application details. Clean Up the World cannot guarantee that Members' projects will meet criteria set by each/any organisation.

REGISTRO DE SUBVENCIONES (S)

A continuación aparece una lista de sitios web que contienen información y recursos útiles relacionados con la búsqueda de apoyo para sus actividades de A Limpiar el Mundo. Ésta no es una lista completa. Si busca información sobre su zona le aconsejamos que haga usted mismo una búsqueda por Internet.

Desgraciadamente para nuestros miembros que no hablen inglés, este documento y muchos de los sitios que aparecen en la lista están únicamente en inglés. Si el sitio o parte del sitio está en otro idioma, lo señalamos de la siguiente manera: **(A)** - árabe, **(C)** - chino, **(E)** - inglés, **(F)** - francés, **(G)** - alemán, **(J)** - japonés, **(P)** - portugués, **(R)** - ruso, **(S)** - español.

NOTA: Cada organización tiene su propio criterio de concesión de subvenciones y su propio proceso de solicitud que habrá de seguir. **Póngase directamente en contacto con la organización** para averiguar los detalles de la solicitud. A Limpiar el Mundo no puede ofrecer garantías de que los proyectos de los miembros vayan a reunir los criterios de cada organización.

REGISTRE DE SUBVENTIONS (F)

Vous trouverez ci-dessous une liste des sites Web lesquels, à notre avis, contiennent des renseignements et/ou des ressources utiles en vue de vous aider à trouver du soutien pour vos activités de nettoyage. Cette liste n'est cependant pas exhaustive et nous vous incitons à faire vous-même des recherches Internet plus approfondies pour trouver des renseignements appropriés à votre région.

Nous nous excusons auprès de nos membres qui ne parlent pas l'anglais du fait que la plupart des sites mentionnés ici ne sont disponibles qu'en langue anglaise. Si le site Web (ou une partie du site) est disponible dans une autre langue, il en sera fait mention de la façon suivante : **(A)** – arabe, **(C)** – chinois, **(E)** – anglais, **(F)** – français, **(G)** – allemand, **(J)** – japonais, **(P)** – portugais, **(R)** – russe, **(S)** – espagnol.

À NOTER :

Chaque organisation possède ses propres critères de subvention et ses modalités de demande qui doivent être suivies à la lettre. **Mettez-vous en rapport directement avec l'organisation** pour obtenir les modalités de demande de subvention. Nettoyons la Terre ne peut garantir que les projets des membres répondront aux critères fixés par chacune des organisations.

African Development Foundation (E)

www.adf.gov

A United States Government Agency that delivers direct financial support to African enterprises and community-based organisations.

Aga Khan Foundation (E)

www.akdn.org

Its mission is to develop and promote creative solutions to problems that impede social development, primarily in Asia and East Africa. Major areas of focus are health, education, rural development and NGO enhancement.

Alcoa Foundation (E)

www.alcoa.com/global/en/community/info_page/foundation.asp

The Alcoa Foundation supports global and local needs in areas including conservation and sustainability, global education and workplace skills, business and community partnerships, and safe/healthy children and families. Priority is given to programs and organisations in or near communities where Alcoa plants/offices are located.

Asia Foundation (E)

www.asiafoundation.org

The Asia Foundation undertakes grant making with organisations in a collaborative manner in their areas of interest including the environment. Most grants are given to organizations in Asia and no grants are given to individuals.

Coca Cola Foundation International Programs (E)

www2.coca-cola.com/citizenship/foundation.html

The Coca Cola Company has a number of foundations working in the areas of education, the environment and health, in Africa, the Americas, Asia and Europe.

Commonwealth Foundation (E)

www.commonwealthfoundation.com

The Foundation's grants enable people from the Commonwealth to participate in short training courses, conferences and study visits in other Commonwealth countries. The Foundation's main areas of interest are poverty eradication, good governance, and sustainable development.

Cottonwood Foundation (E)

www.cottonwoodfdn.org

The foundation promotes empowerment of people, protection of the environment, and respect for cultural diversity. Its funding is focused on committed, grass roots organizations that rely strongly on volunteer efforts and to date has supported projects in over 50 countries across the world.

Directory of Funding Sources for Environmental NGOs in Central and Eastern Europe (E)

www.rec.org/REC/Databases/Funders/Default.html

The directory presents a range of funding institutions focusing on environmental activities as well as support to non-governmental organisations.

Ford Foundation (E)

www.fordfound.org

The foundation's goals are to strengthen democratic values, reduce poverty and injustice, promote international cooperation and advance human achievement. The foundation is a resource for innovative people and institutions worldwide.

Global Environment Facility Small Grants Programme (E) (F) (S)

<http://sgp.undp.org/>

SGP supports activities of non-governmental and community-based organizations in 73 developing countries. See their website for a full list of participating countries.

Global Greengrants Fund (E)

www.greengrants.org

The fund makes small grants to grassroots groups around the world working to protect the environment, live sustainably, and gain a voice for the future. Please note the fund only accepts grant recommendations from a network of advisors – unsolicited applications are not encouraged.

International Community Foundation (E)

www.icfdn.org

ICF is committed to fostering lasting philanthropy to benefit needy communities and non-profit organizations throughout the Americas and Asia with an emphasis in Baja California and Mexico.

Mottey African Development Foundation (MAD) (E)

www.madfoundation.org

The MAD Foundation works at the grassroots level to develop much needed community resources with a focus on education, child welfare, health and employment. Projects are not limited to Africa with past projects completed in Asia and future projects planned for South America.

TEAR Australia (E)

www.tear.org.au

A Christian based organisation that partners with other Christian groups working with the poor in their communities. To date TEAR have partnered with groups in Asia Pacific, South Eastern Africa and West Asia.

The Virtual Foundation (E)

www.virtualfoundation.org

The Virtual Foundation is a unique philanthropy program which supports grassroots initiatives around the world. Carefully screened community improvement projects are posted on our web site. They can be read and funded by online donors.

Toyota Environmental Grants (E)

www.toyota.co.jp/en/toyota-ecogrant

The grant provides support for projects worldwide aiming at “social investment for sustainable development.” It particularly focuses on environmental technology and environmental education.

Unilever (E)

www.unilever.com/ourvalues/environmentandsociety/casestudies/education

Through various trusts and foundations Unilever support art, education and development projects worldwide.

United Children’s Fund (E)

www.unchildren.org

The fund works with local NGO's, missionaries, churches, and local village organizations to assist children and families who are in the greatest need. The fund’s current focus is in areas of eastern Africa.

WK Kellogg Foundation (E)

www.wkkf.org

Most grants are awarded in the United States, Latin America and the Caribbean, and six southern Africa countries including Botswana, Lesotho, Mozambique, South Africa, Swaziland, and Zimbabwe.
