

WASTE LESS, CELEBRATE MORE

SUSTAINABLE FESTIVE SEASON — QUICK GUIDE

GREEN SHOOTS

- ☐ Wrap gifts with recycled paper, newspaper or reuse bags/boxes
- ☐ Use natural or DIY decorations
- ☐ Choose LED or solar lights
- ☐ Plan meals before shopping and buy only what you need.

★ Goal:

Make thoughtful, sustainable choices — from gifting to food, you're designing a lower-waste celebration.

ECO EXPLORER

- ☐ Choose meaningful gifts: experiences, handmade, second-hand
- ☐ Wrap with cloth, old maps, fabric scraps — skip glitter & plastic
- ☐ Pick natural décor or a real/living tree
- ☐ Use reusable serving ware or compostable options
- ☐ Buy seasonal or locally made gifts, food and decorations

★ Goal:

Use what you already have and avoid single-use items.
Small swaps = big savings for your wallet and the planet.

ECO CHAMPION

- ☐ Focus on experiences and connection over excess gifting
- ☐ Borrow, share, reuse and upcycle what you can
- ☐ Have a clear waste plan: compost, recycle correctly, avoid plastic
- ☐ Support local makers, growers and small businesses
- ☐ Inspire others — share ideas, swap items, celebrate consciously

★ Goal:

Build a lasting sustainable festive culture — one that evolves each year and influences others.
